General Information and Points to Remember

The Government Management Indicators (GOMI) survey is a mandated survey and must be completed by each local government. Failure to complete the survey by the deadline date may affect your government's eligibility for financial assistance granted through the Department of Community Affairs (DCA). Once your survey has been reviewed, a DCA staff member may call you to make any necessary corrections, or possibly to get follow-up information to make the survey more complete.

PLEASE NOTE

This survey is to be completed with information from your government's most recently completed fiscal year.

ASK FOR ADVICE

Often, one government representative (for example, a commissioner, mayor or clerk) completes this survey. As it is unlikely that one individual knows the details of each and every government operation, consult with your colleagues in other departments for the correct answers.

PROVIDE COMPLETE ANSWERS

Answer each question as completely as possible. For a question that does not pertain to your government, follow instructions to either skip that question or mark the space provided "NOT APPLICABLE".

USE THE GLOSSARY OF TERMS

Sometimes a word or term can mean different things to different people. To ensure that you are answering the questions in the way intended by DCA, refer to the definitions that are provided for your use. Terms that appear in the glossary are **bolded**/*italicized* in the survey text.

CALL DCA FOR ASSISTANCE

DCA has a staff member dedicated to answering questions about the GOMI survey and other surveys the department administers. Instead of leaving a question blank, or answering it with uncertainty, email Norma Allen for assistance anytime at e-mail *norma.allen@dca.ga.gov*.

KEEP COPIES

Please keep a copy of the completed survey for your files.
